Martina Navratilova And Toni Layton Divorcing

6/24/2009 5:34 PM ET | Filed under: [Exclusives!](#) • [Gay Gay Gay](#) • [Zportz](#) • [Love Line](#)

Tennis champ **Martina Navratilova** is facing yet another divorce, this time from longtime companion **Toni Layton**, PerezHilton.com has learned.

It's been a messy separation, with Navratilova forcibly removing Layton from their shared residence and denying Layton access to her belongings, resulting in Layton hiring **Linda Hogan's** ironclad divorce attorney.

If it's a messy separation, it's going to be an even messier divorce which promises "many dark secrets from Navratilova's past and present life will come out in court, such as the intrigue surrounding arch-rival Chris Evert, the incestuous nature of The Women's Tennis Association, former lovers, improprieties between business associates, and more."

Damn!
